### **Environmental Security in the Arctic Ocean**

A range of states, including the major Arctic powers, are increasingly asserting their sovereignty seawards. National security policies are being declared and nuclear-capable states are adjusting their strategic deployments in the Arctic Ocean.

### **Environmental Security in the Arctic Ocean | Taylor ...**

Building on the "common arctic issues" of "sustainable development and environmental protection" established by the Arctic Council - environmental security offers an holistic approach to assess opportunities and risks as well as develop infrastructure responses with law of the sea as the key "international legal framework" to "promote the peaceful uses" of the Arctic Ocean.

### **Environmental Security in the Arctic Ocean | SpringerLink**

'Security' in the Arctic has traditionally been discussed within non-military frameworks. The most pressing issue has been the region's susceptibility to climate change, including the erosion of polar ice and altered weather conditions, with the associated impact on local-level socio-economic affairs and indigenous persons.

### **The changing shape of Arctic security - NATO Review**

This basic Arctic infrastructure deficit presents serious economic, social, political, national and environmental security implications in Alaska and the United States.

### **US security starts in the Arctic | TheHill**

A range of states, including the major Arctic powers, are increasingly asserting their sovereignty seawards. National security policies are being declared and nuclear-capable states are adjusting their strategic deployments in the Arctic Ocean.
