### **Exploring Spoken English by Ronald Carter - Goodreads**

This is an extraordinary work, not just because it addresses an aspect of language that has been practically ignored up to now, at least in a corpus-based treatment, but also because it is difficult, if not impossible to pigeonhole, combining the best of various kinds of books: it is the same time corpus, resource book, text book, and theoretical work.' 'Exploring Spoken English is absolutely riveting for anyone interested in real English, with every unit bringing new features of spoken ...
