Food Rebellions! contains up to date information about the current political and economic realities of our food systems. Anchored in political economy and an historical perspective, it is a valuable academic resource for understanding the root causes of hunger, growing inequality, the industrial agri-foods complex, and political unrest.

Food Rebellions: Crisis and the Hunger for Justice by Eric ...

In their new book, Food Rebellions! Crisis and the Hunger for Justice, authors Eric Holt-Giménez and Raj Patel with Annie Shattuck offer us the real story behind the global food crisis and document the growing trend of grassroots solutions to hunger spreading around the world. E-book version currently available at:

Food Rebellions: Crisis and the Hunger for Justice : Food ...

Food Rebellions capably addresses a timely and important subject - but not in a particularly convincing or engaging manner. The body of the book itself is primarily a collection of statistics and citations that do little to draw the reader into the story of the food crisis or the lives of those who hunger for justice.

Food Rebellions! situates with accuracy and precision the true meaning, causes and dynamics of what is commonly referred to as the "global food crisis". It shows how skewed and dysfunctional the global food system is, and how the concentration of market power by a handful of transnational corporations translates into power over land, water, food and, indeed, life itself.

Food Rebellions!, Crisis and the Hunger for Justice (press)

The World Food Program describes the current global food crisis as a silent tsunami, with billions of people going hungry. Hunger is, indeed, coming in waves, but not everyone will drown in famine. The recurrent food crises are making a handful of corporations very rich—even as they put the rest of the planet at risk.

Food Rebellions: 7 Steps to Solving the Food Crisis - Yes ...

Food Rebellions capably addresses a timely and important subject - but not in a particularly convincing or engaging manner. The body of the book itself is primarily a collection of statistics and citations that do little to draw the reader into the story of the food crisis or the lives of those who hunger for justice.
