Channel catfish fever : a In-fisherman handbook of ...

This is an excellent book on catching channel catfish but really focuses only on fishing rivers and from a boat. The focusing on fishing from a boat is a fault of all the In-Fisherman guides. I would have liked to have read more about catfishing in lakes and ponds since I fish lakes and ponds 90% of the time.

In-Fisherman - Catfish Fever (1990) - Introduction

Channel Catfish From Shore Maybe they were stocked years ago for a kids fishing derby or perhaps just a sidelight of the local DNR management plan. Whether by design or accident, terrific opportunities for channel cats exist for shore-bound anglers in countless small lakes and reservoirs across the land, both for numbers and sizes that impress.

In-Fisherman

Bullheads, Whites, Snails, And Channel Cats. There are six catfish species that swim in the Brevard County stretch of the St. Johns River. There are three types of bullheads along with the snail catfish that seldom top a couple pounds. There's the fairly rare white catfish that may reach ten pounds.
