Pressed For Time The Acceleration

In Pressed for Time, Judy Wajcman explains why we immediately interpret our experiences with digital technology as inexorably accelerating everyday life. She argues that we are not mere hostages to communication devices, and the sense of always being rushed is the result of the priorities and parameters we ourselves set rather than the machines that help us set them.

Read Online Pressed For Time The Acceleration Of Life In Digital Capitalism

In *Pressed for Time*, Judy Wajcman lets technology off the hook, arguing that it does not simply cause time pressure or the inexorable acceleration of everyday life. She argues that the very same devices that make us feel harried also enable us to take more control of our time and can enrich our relationships.
