Product Data Authorised Distributor For

Authorized Distributor means a Distributor distributing product within the terms of an Original Component Manufacturer (OCM) or the Original Equipment Manufacturer (OEM) contractual agreement. Contractual Agreement terms include, but are not limited to, distribution region, distribution products or lines, and warranty flow down from the OCM/OEM. Under this distribution, the distributor would be known as an Authorized Distributor.

Unlike an importer or distributor, an AR is not economically or commercially involved with the concerned products. Once an official contract is drawn up between the manufacturer and the AR, the Authorised Representative will have access to the technical file and Declaration of Conformity of the concerned product. Responsibilities of the AR include acting as the official EU point of contact and cooperating with national surveillance bodies and/or competent national authorities.

Responsibilities of the manufacturer, importer ...
