A white megachurch pastor apologized for saying white Americans don't think enough about the "blessing of slavery," Newsweek reports. Pastor Louie Giglio said that white Americans understood "the curse that was slavery" but that they "miss the blessing of slavery—that it actually built up the framework for the world that white people live in and lived in."

Megachurch Pastor Said Slavery Was a 'White Blessing'

"See the system. When you find yourself stuck in an oversimplified polarized conflict, a useful first step is to try to become more aware of the system as a whole: to provide more context to your understanding of the terrain in which the stakeholders are embedded, whether they are disputants, mediators, negotiators, lawyers, or other third parties.
