Shout!: The Beatles in Their Generation (also published as Shout!: The True Story of the Beatles) is a book written by journalist Philip Norman that chronicles the history of the English rock band the Beatles, whose line-up comprised John Lennon, Paul McCartney, George Harrison and Ringo Starr. The book was published by MJF Books in 1981, and later editions have been published by Pan Macmillan and Simon & Schuster.

Shout!: The Beatles in Their Generation - Wikipedia

SHOUT! by Philip Norman is my favorite Beatles biography. As a second choice, "The Love You Make" by Peter Brown was excellent. Brown worked with future Beatles manager Brian Epstein in his music store business NEMS and later when on to work at Apple Corp., The Beatles business entity.

Shout! The Beatles In Their Generation by Philip Norman

The second, and much more serious flaw of "Shout!", is the fact that Norman doesn't seem to think that the Beatles were anything other than a rather successful pop group. This is a critical mistake when writing about the Beatles, and it's common to much of the earlier commentary about them.

The Beatles in Their Generation Ah, Shout!...one of the most popular yet polarizing books about the Beatles that's ever been published.

BOOK REVIEW: Shout! The Beatles In Their Generation

The main criticism of "Shout" is that Norman is anti-McCartney, with accusations of questioning Brian Epstein's management skills when the Beatles stopped touring, or that John Lennon's musical Legacy out shone his own (which he does discuss in the intro of this revised edition of the book).

Indeed he seems to view the Beatles as a cultural and not a musical phenomena, he rarely discusses their music or goes into any details of the recording sessions of their albums. Even Stephen Davis in the rather trashy 'Hammer of the Gods' managed to include some interesting details about the recording of Led Zeppelins albums.
