Ethics - Tarasoff and Beyond: Legal and Clinical ...

The Tarasoff law served a very useful purpose. It forced the issue of patient/ client privileges where there was a clear and present danger to a potential victim, ruling it was the duty of the psychiatric profession to place the well-being of the public first.

What Does The Tarasoff Ruling Mean For Modern Therapy ...

The Tarasoff decision, as it is presently interpreted, raises a set of questions that may be problematic from both medical and legal standpoints. Some have suggested that once a threat has been made, "there is generally little a victim can do unless the threat is imminent" and that "warning sometimes can inflame the situation and increase the ...

a. Common Law The Tarasoff II court created an exception to the general rule under the common law, which states that a person does not have an affirmative duty. to act to protect others even if action by a particular person is necessary. to prevent harm. 2. 0 . Liability for nonfeasance has developed as a remedy

Personal Liability Implications of the Duty to Warn Are ...

Tarasoff is an important decision with legal implications, and only 13 states in the U.S. lacked Tarasoff-like provisions at the time of Herbert's report in 2002. Duty to warn means that the social worker must verbally tell the intended victim that there is a foreseeable danger of violence.

Duty to Warn, Duty to Protect - SocialWorker.com

Tarasoff v. Regents of the University of California, 17 Cal. 3d 425, 551 P.2d 334, 131 Cal. Rptr. 14 (Cal. 1976), was a case in which the Supreme Court of California held that mental health professionals have a duty to protect individuals who are being threatened with bodily harm by a patient. The original 1974 decision mandated warning the threatened individual, but a 1976 rehearing of the ...
