Law In Britain, 1829-2014
Public Order Law in Britain, 1829-2014, is a welcome addition to the interdisciplinary study of this topic. Its regional study of the riots, protests and demonstrations that have taken place over the last three centuries in Britain allows for an analysis of how legal powers, police discretion and reactions to the crowds have affected the ways in

The expansion of the police building has been discussed extensively in recent years. A study in September 2018 recommended the construction of a new police station, but council rejected it due to the high costs. The expansion is expected to be 5,000 square feet, and expand the police station's size by about
