The Struggle For Sea Power

Struggle For Sea Power takes a broad yet thesis-based look at the naval side of the American Revolution. Willis looks at the American (both Continental/national and states), British, French, and Spanish (and to a lesser extent the Dutch and even briefly the Indian) navies during the American Revolution.

sea power and even uses (p. 6) the phrase "the influence of sea power," the omission is evident. Although Willis defines sea power more broadly than does Mahan, many of The Influence of Sea Power's themes echo powerfully in his work. Like Willis, Mahan considers the global maritime war spawned by the struggle for American independence to
