Summary See U.S history through the women's narrative. Through Women's Eyes shares the persepectives of women from a broad range of ethnicities, classes, religions, and regions to illustrate central developments within history.

**Through Women's Eyes: An American History with Documents ...**

The women's movement was so influential that in 1975 TIME awarded its "Man of the Year" award to "American women." Although the female employment rate had dropped following World War II, by 1954 more women were a part of the workforce than during the war. In 1972 the first shelter for battered women opened, one of the goals of the women's movement.
