It's disappointing that there's no convenient menu that lets you just browse freebies.

Instead, you have to search for your preferred genre, plus the word 'free' (free science fiction, or free history, for example). It works well enough once you know about it, but it's not immediately obvious.

The most effective of
changing your
organization's culture
is to leverage the
naturally occurring
groups in your
organization. These
groups are called
workplace tribes and

consist of between 20 and 150 members. You can employ tribal leadership, a culture-based strategy, to achieve this goal.

Everything You Need To Know About Tribal Leadership

Each small town is full of people from slackers to sherifs. While the people in the towns are different, the roles are similar. In their book, Tribal Leadership:
