The credit will override the placement test. However, the item will remain on your To Do list on MyUCF- this is okay and will not prevent them from registering for classes. However, I emailed mathplacement@ucf.edu to confirm (since FYA seemed to disagree with what's online) and they said. All incoming freshmen must complete the UCF Math ...

Math placement test : ucf

So if you are planning to go to UCF or FSU or Valencia or something like that then the test is just probably a placement test . Like say you score a little low on the math section, that doesn't mean you are denied that means that you may need to take a remedial math class before you take college level math. So don't worry so much about it.

What happens if you don't take the math placement test at UCF?

Once you obtain your Username (NID) and MyLabsPlus password, please go to www.ucf.mylabplus.com to access the Math Placement Test. There are three (3) Math Placement practice tests: algebra, trigonometry, and precalculus. All students must start by taking the practice algebra test. Students are required to complete the practice algebra test and ...
