The Painted Veil May 20 2022 Kitty Fane is a beautiful, vain, upper-class British woman unhappily married to Walter Fane, a bacteriologist working in Hong Kong. She is conducting an affair with Charles Townsend, the Assistant Colonial Secretary, and the two are in her room when the knobs to her door mysteriously turn from the outside. She worries that her husband may have discovered her affair, but then she recalls their loveless match. She married Walter after several years of unsuccessfully seeking a match who would win her mother's approval; eventually, her homely younger sister Doris was about to be married, and Kitty hastily accepted Walter's proposal of marriage so that she would not be single at her little sister's wedding. The outgoing Kitty and the reserved Walter make a horrible match. Walter is silent and pale for several days, and then gives Kitty an ultimatum. She will accompany him on his expedition to fight a cholera epidemic in Mei-tan-fu, a city in southern China, or he will bring her to court for her infidelity. Kitty is horrified, and certain that the cholera epidemic will mean her death. Walter gives her another out: if Charles agrees to marry her, he will allow her to divorce him and she can stay in Hong Kong. Kitty, delighted that she will finally get the chance to be with her beloved Charles, immediately confronts her lover with this proposal. Charles refuses to divorce his wife Dorothy, and Kitty, heartbroken, agrees to go with

Walter to Mei-tan-fu.

The Emperor's Children Aug 11 2021 A bestselling, masterful novel about the intersections in the lives of three friends, now on the cusp of their thirties, making their way—and not—in New York City. There is beautiful, sophisticated Marina Thwaite—an “It” girl finishing her first book; the daughter of Murray Thwaite, celebrated intellectual and journalist—and her two closest friends from Brown, Danielle, a quietly appealing television producer, and Julius, a cash-strapped freelance critic. The delicious complications that arise among them become dangerous when Murray’s nephew, Frederick “Bootie” Tubb, an idealistic college dropout determined to make his mark, comes to town. As the skies darken, it is Bootie’s unexpected decisions—and their stunning, heartbreaking outcome—that will change each of their lives forever. A richly drawn, brilliantly observed novel of fate and fortune—of innocence and experience, seduction and self-invention; of ambition, including literary ambition; of glamour, disaster, and promise—*The Emperor’s Children* is a tour de force that brings to life a city, a generation, and the way we live in this moment. The Moon and Sixpence Sep 11 2021 *The Moon and Sixpence* tells the story of English stockbroker Charles Strickland, who abandons his wife and child to travel to Paris to become a painter. First published in 1919 in the United Kingdom by Heinemann, the story is inspired by the life of the French artist Paul Gauguin. It's told in episodic form from a first-person perspective. The narrator, who came to know Strickland through his wife's literary parties, begins the story as Strickland leaves for Paris. Strickland's new life becomes a stark contrast to his life in London. While he was once a well-off banker living a comfortable life, he must now sleep in cheap hotels while suffering both illness and hunger. Maugham spent a year in Paris in 1904, which is when he first heard the story of Gauguin, the banker who left his family and profession to pursue his passion for art. He heard the story from others who had known and worked with Gauguin. Ten years later Maugham travelled to Tahiti where he met others who had known Gauguin during the artist's time there. Inspired by the stories he heard, Maugham wrote *The Moon and Sixpence*. Although based on the life of Paul Gauguin, the story is a work of fiction. The Black Veil Aug 30 2020 A raw, unflinching, convention-defying memoir of substance abuse, depression, and guilt In his genre-bending memoir, Rick Moody, author of *The Ice Storm*, delves into not only his own tormenting struggle with depression and alcoholism but also the pathos inherent in American society. Beginning with his childhood and widening his gaze to his ancestral past, Moody elegantly details the events that led him to admit himself to a psychiatric hospital. Seeking explanations for his inner demons, Moody traces his lineage back to Joseph “Handkerchief” Moody. In early-eighteenth-century Maine, Joseph accidentally killed his childhood friend and wore a handkerchief over his face for the rest of his life as a self-imposed punishment. His story stirs within Moody a drive to understand his own failings through a study of American violence from colonial times to the 1999 massacre at Columbine High School. Remarkably broad in scope and full of Moody’s witticisms and brilliantly crafted prose, *The Black Veil* is an extraordinary exploration of both personal and cultural shame that transcends the expectations of a memoir. This ebook features an illustrated biography of Rick Moody including rare images from the author’s personal collection.

Long Black Veil Dec 03 2020 Publishers Weekly’s Best Books of 2017 For fans of Donna Tartt and Megan Abbott, a novel about a woman whose family and identity are threatened by the secrets of her past, from the New York Times bestselling author of *She’s Not There* On a warm August night in 1980, six college students sneak into the

dilapidated ruins of Philadelphia's Eastern State Penitentiary, looking for a thrill. With a pianist, a painter and a teacher among them, the friends are full of potential. But it's not long before they realize they are locked in—and not alone. When the friends get lost and separated, the terrifying night ends in tragedy, and the unexpected, far-reaching consequences reverberate through the survivors' lives. As they go their separate ways, trying to move on, it becomes clear that their dark night in the prison has changed them all. Decades later, new evidence is found, and the dogged detective investigating the cold case charges one of them—celebrity chef Jon Casey— with murder. Only Casey's old friend Judith Carrigan can testify to his innocence. But Judith is protecting long-held secrets of her own – secrets that, if brought to light, could destroy her career as a travel writer and tear her away from her fireman husband and teenage son. If she chooses to help Casey, she risks losing the life she has fought to build and the woman she has struggled to become. In any life that contains a “before” and an “after,” how is it possible to live one life, not two? Weaving deftly between 1980 and the present day, and told in an unforgettable voice, *Long Black Veil* is an intensely atmospheric thriller that explores the meaning of identity, loyalty, and love. Readers will hail this as Boylan's triumphant return to fiction.

As she enters Durham, Clara finds her carriage surrounded by a mob gathered to witness the imprisonment of Mary Ann Cotton—England's first female serial killer—accused of poisoning nearly twenty people, including her husbands and children. Clara soon finds the oppressive confinement of her marriage no less terrifying than the white-tiled walls of Hoxton. And as she grows increasingly suspicious of Henry's intentions, her fascination with Cotton grows. Soon, Cotton is not just a notorious figure from the headlines, but an unlikely confidante, mentor—and perhaps accomplice—in Clara's struggle to protect her money, her freedom and her life.

The Painted Bridge Jun 08 2021 A spellbinding tale of secrets, lost lives, and a Victorian woman seizing her own destiny Just outside London behind a tall stone wall stands Lake House, a private asylum for genteel women of a delicate nature. In the winter of 1859, recently-married Anna Palmer becomes its newest arrival, tricked by her husband into leaving her home, incarcerated against her will and declared hysterical and unhinged. With no doubts as to her sanity, Anna is convinced that she will be released as soon as she can tell her story. But Anna quickly learns that liberty will not come easily. And the longer she remains at Lake House, the more she realises that -- like the ethereal bridge over the asylum's lake -- nothing is as it appears. Locked alone in her room, she begins to experience strange visions and memories that may lead her to the truth about her past, herself, and to freedom - or lead her so far into the recesses of her mind that she may never escape... Set in Victorian England, as superstitions

collide with a new psychological understanding, this elegant, emotionally suspenseful debut novel is a tale of self-discovery, secrets, and search for the truth in a world where the line between madness and sanity seems perilously fine.

The Secret Lives of Somerset Maugham Feb 02 2021 He was a brilliant teller of tales, one of the most widely read authors of the twentieth century, and at one time the most famous writer in the world, yet W. Somerset Maugham's own true story has never been

fully told. At last, the truth is revealed in a landmark biography by the award-winning writer Selina Hastings. Granted unprecedented access to Maugham's personal correspondence and to newly uncovered interviews with his only child, Hastings portrays the secret loves, betrayals, integrity, and passion that inspired Maugham to create such classics as *The Razor's Edge* and *Of Human Bondage*. Portrayed in full for the first time is Maugham's disastrous marriage to Syrie Wellcome, a manipulative society woman who trapped Maugham with a pregnancy and an attempted suicide. Hastings also explores Maugham's many affairs with men, including his great love, Gerald Haxton, an alcoholic charmer. Maugham's work in secret intelligence during two world wars is described in fascinating detail—experiences that provided the inspiration for the groundbreaking Ashenden stories. From the West End to Broadway, from China to the South Pacific, Maugham's remarkably productive life is thrillingly recounted as Hastings uncovers the real stories behind such classics as *Rain*, *The Painted Veil*, *Cakes & Ale*, and other well-known tales.

The Painted Veil. 1925 Novel by Mar 18 2022 The Painted Veil is a 1925 novel by British author W. Somerset Maugham. The title is taken from Percy Bysshe Shelley's sonnet which begins "Lift not the painted veil which those who live Call Life." The biographer Richard Cordell notes that the book was influenced by Maugham's study of science and his work as a houseman at St Thomas' Hospital. In the Preface to his book, Maugham tells how originally the main characters were called Lane not Fane but a couple of that name in Hong Kong successfully sued the magazine publishers of the initial serialised version for libel and won 250. To avoid similar problems after A. G. M. Fletcher, the then Assistant Colonial Secretary in Hong Kong, also threatened legal

action, the name of the colony was changed to Tching-Yen.[2] Later editions reverted to Hong Kong but the name Fane was kept for all editions. The novel was first published in serialised form in five issues of *Cosmopolitan* (November 1924 - March 1925). Beginning in May 1925, it was serialised in the United Kingdom in eight parts in *Nash's Magazine*. Somerset Maugham uses a third-person - limited, point of view in this story, where Kitty is the Focal character. Kitty Garstin, a very pretty upper-middle class debutante, squanders her early youth amusing herself at cotillions and social events - during which her domineering mother attempts to arrange a "brilliant match" for her. By age 25, Kitty has flirted with - and declined the marriage proposals of - dozens of suitors. Her mother, convinced that her eldest daughter has "missed her market," urges Kitty to settle for the rather "odd" Walter Fane, a bacteriologist and M.D., who is madly in love with Kitty. In a panic that her much younger - and less attractive - sister, Doris, will upstage her by marrying first, Kitty consents to Walter's ardent marriage proposition with the words, "I suppose so." Shortly before Doris's much grander wedding, Kitty and Walter depart as newlyweds to his post in Hong Kong."
