**Cold Iron Heart** May 20 2022 How far would you go to escape fate? In this prequel to the international bestselling WICKED LOVELY series (over a million copies sold), the Faery Courts collide a century before the mortals in Wicked Lovely are born. Thelma Foy, a jeweler with the Second Sight in iron-bedecked 1890s New Orleans, can see through the glammers faeries wear to hide themselves from mortals, but if her secret were revealed, the fey would steal her eyes, her life, or her freedom. But when the Dark King, Irial, rescues her, Tam must confront everything she thought she knew about faeries, men, and love. Unbeknownst to Tam, she is the prize in a centuries-old fight between Summer Court and Winter Court. To protect her, Irial must risk a war he can't win--or surrender the first mortal woman he's loved. "What a delight to discover how much I loved being back in the Wicked Lovely world, discovering details about beloved characters that made me want to race back for a series reread. This is Irial's story set in 1890s New Orleans, brimming with faerie court drama and steamy romance. Can we. and should we, outrun fate? And if so, are we prepared for the consequences? I could not put it down." --Angela Mann, Kepler's Books, Menlo Park CA "Set 100 years before the events in Wicked Lovely, Cold Iron Heart finds Irial, the king of the Dark Court, in New Orleans and entranced by a mortal. Is his interest in Thelma Foy just a passing fascination, or could it change the course of her life and the world forever? Melissa Marr masterfully rises to challenge of writing a prequel by both expanding on the mythology of the original series while telling a story that exists wholly on its own. Fans of the series will inhale this delicious glimpse into Irial's past."--John McDougall of Murder by the Book, Houston TX

**Radiant Shadows** Aug 23 2022 Alluring romance, heart-stopping danger, and sinister intrigue combine in the penultimate volume of Melissa Marr's #1 New York Times bestselling Wicked Lovely series. Half-human and half-faery, Ani is driven by her hungers. Those same appetites also attract powerful enemies and uncertain allies, including Devlin. He was created as an assassin and is brother to the faeries' coolly logical High Queen and to her chaotic twin, the embodiment of War. Devlin wants to keep Ani safe from his sisters, knowing that if he fails, he will be the instrument of Ani's death. Ani isn't one to be guarded while others fight battles for her, though. She has the courage to protect herself and the ability to alter Devlin's plans—and his life. The two are drawn together, each with reason to fear the other and to fear for one another. But as they grow closer, a larger threat imperils the whole of Faerie. Will saving the faery realm mean losing each other?
